

2018-19 Universal Screening Windows

Dates for the 18-19 screening windows have been set. Windows are six weeks to allow additional time for districts purchasing math and behavior measures. We recommend planning a two week time period within each window to complete the majority of screening per area. Schools with year round calendars will be contacted directly by the Department.

Season	Window Opens	Window Closes
Fall	September 3, 2018	October 12, 2018
Winter	January 7, 2019	February 15, 2019
Spring	April 22, 2019	May 31, 2018
