- Click “edit my password”.

- Enter your current password, new password, confirm your new password and click “Save changes”.

LOST PASSWORD

- Click “Login” at the top of the page.
- Click “Lost your password?”
- Enter your email address or username then click “Reset password”.
- A password reset email will be sent to the email address on file for your account. This may take several minutes to show up in your inbox. Please wait at least 10 minutes before attempting another reset.

EMAIL NOTIFICATIONS

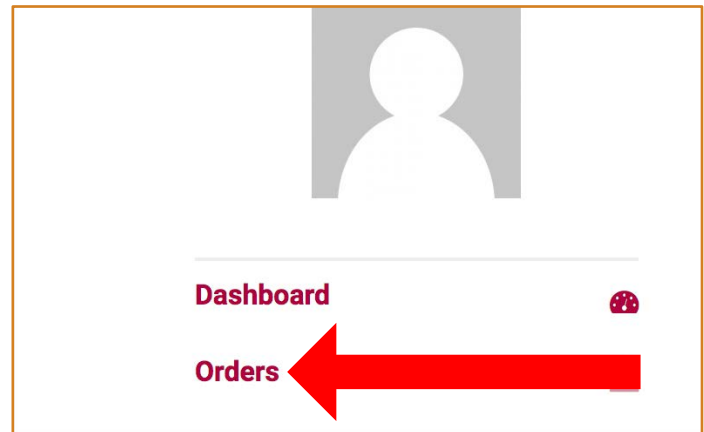

- Check your spam folder for email notifications.
- Add phendricks@centralriversaea.org to your whitelist or bypass list so that the system notification emails are not sent to your spam folder.

REORDERING PREVIOUS ITEMS

- Click on “My Account”

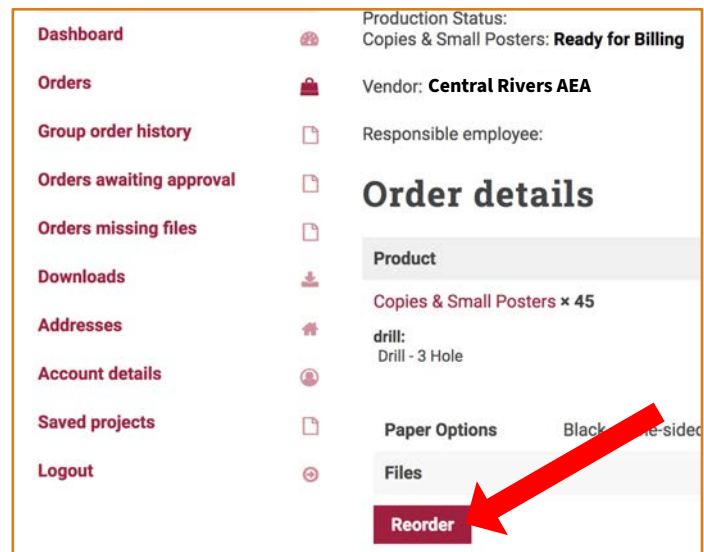

- Click on “Orders”

- Click on the order number you wish to reorder

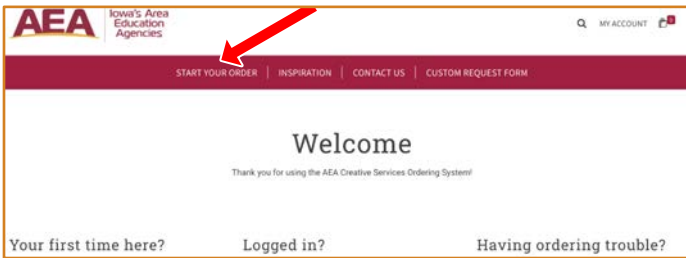

- Scroll down and click “Reorder”

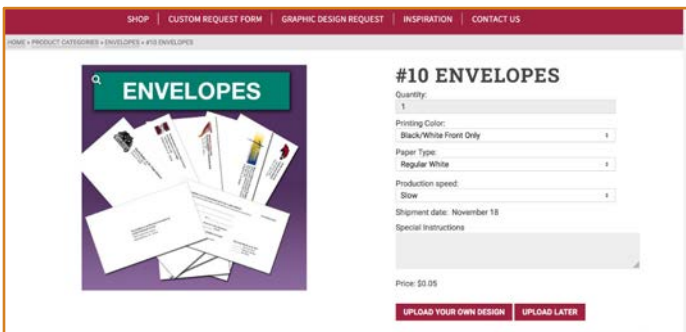

- This will add the item to your cart. You may modify the order (quantity, etc.) or keep it as it was previously ordered.
- Follow the normal checkout process.

PLACING AN ORDER

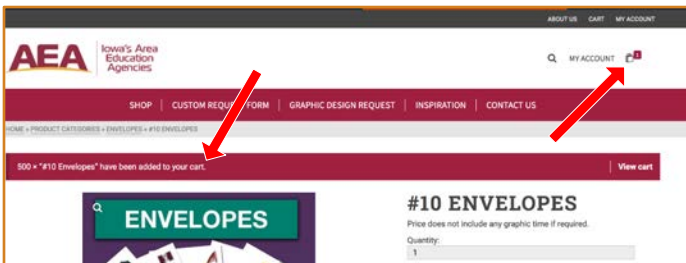

- Click on “Start Your Order” or on the item you wish to order.

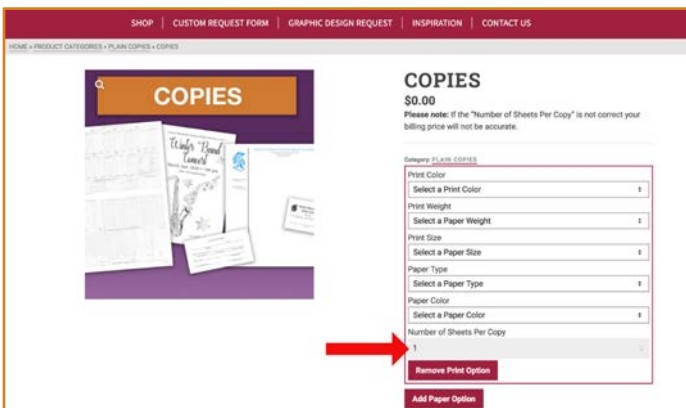

- Choose your print options (Quantity, Paper Type, etc.) Either click “Upload Your Own Design”, “Upload Later”, or “Add to Cart”
 - “Upload Your Own Design” requires uploading a file before it is added to cart
 - “Upload Later” will allow uploading after order submitted

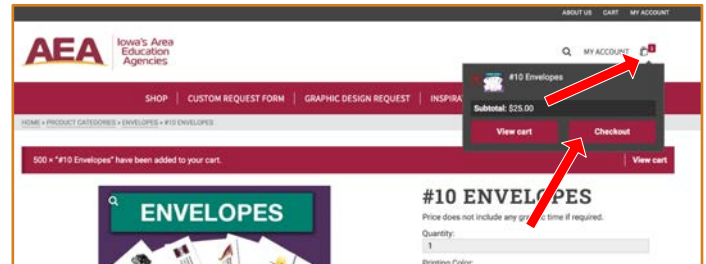

- Clicking “Upload Your Own Design”, “Upload Later”, or “Add to Cart” will add the item to your cart. The number of items in your cart will increase and you will get a confirmation message on the screen.

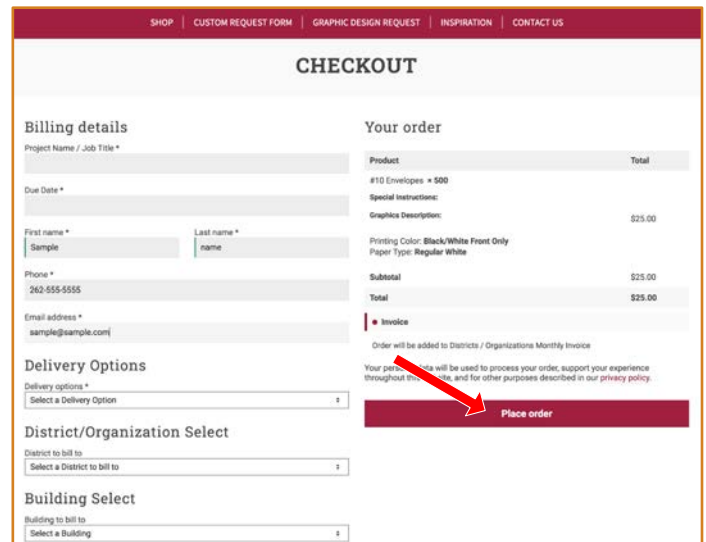

- Note: If a multi-page PDF is uploaded for a customer product, the number of pages is NOT automatically updated. If the “**Number of Sheets Per Copy**” is not accurate, the price will not be accurate. The **Quantity (Number of Copies)** is listed in a separate field.

- Please also note that the cost for some services like **lamination and labor (cutting, binding, stapling)** may need to be calculated after the order is submitted. Please contact the CRAEA print center if you need an estimate for these services before placing the order.
- Once user has selected all of their items to be added to their cart, they can checkout (checkout requires a user to be logged into continue).

- User must select a delivery option, it will show them an error if they have not.
- If a Users district/organization requires a PO it will show an error message saying they must enter a PO number.
- User must select a payment option available
- Users must agree to the terms and conditions of the site.
- Finally click “Place order”.
- Email confirmation will be sent to the customer that the order has been received.

NUMBER OF ORIGINALS vs QUANTITY OF COPIES

BASIC PRINTING

Order copies of handouts, worksheets, tests and other classroom materials. Copies can be printed in black on a variety of paper colors or printed in full color on white paper. They can be collated in sets of 123, 123, 123 or left uncollated (grouped) in sets of 111, 222, 333. A variety of finishing options are also available.

Please note: If the "Number of Originals" is not correct, your billing price will not be accurate. An original is one printed side of a sheet of paper. If you have a front and back copy it is two originals.

Price does not include any graphic time if required.

If you are having any of your copies laminated and need them trimmed, please be sure to contact your local AEA for pricing.

PAPER GUIDE

PAPER WEIGHT	DESCRIPTION
20# bond (lightweight)	Most often found in your everyday copy machine.
24# bond/60# text (lightweight/medium weight)	Generally multipurpose paper used in the office printer. Also can be used for business letterhead or stationary weight.
28# bond/70# text (lightweight/medium weight)	Perfect weight for brochures and presentations. Also can be used for business letterhead or stationary weight. Excellent for 2-sided printing with minimal show through.
80# text (medium weight)	Perfect weight for brochures and presentations. Excellent for 2-sided printing with minimal show through, while being slightly heavier than the 28# bond/70# text.
90# index (cover weight)	A durable cardstock with a smooth, hard surface for medium applications.
65# cover (cover weight)	A sturdy stock with a superb “soft feel” fast drying surface. Great for book covers.
110# index (cover weight)	Both 90 and 110lb index are the common weights for tabs, dividers and manila folders. Can be used as an alternative to 65# cover.
80# cover (cover weight)	A heavy cardstock used for folded cards, postcards and small posters. Available in white only.
100# cover (cover weight)	A noticeably heavier cardstock often used for flat cards or invitations.
Waterproof/Tear Resistant (cover weight)	A synthetic stock that resists being torn. It can be wiped down with most disinfectants. (Please test the ink to see if it smears first.) Can NOT be laminated.
