

Elections to the Board

Board members shall be elected in odd number years by a weighted vote cast by the local school districts located within the director district. The Board of Directors of each local school district determines the district's vote.

Board members serving Director Districts III, IV, V, VI, and IX were elected in 2019 and every fourth year thereafter. Board members serving Director Districts I, II, VII, and VIII will be elected in 2021 and every fourth year thereafter.
