

## **Board Vacancies**

A vacancy within one of the five director districts shall be filled at a special director district convention for the unexpired portion of the departing Board member's term. The convention shall be called in accordance with applicable law.

A vacancy for an at-large superintendent seat shall be filled for the unexpired portion of the term by a superintendent or their appointed designee, who will be appointed by the majority vote of the superintendents of school districts located within the boundaries of the area education agency.
